FIRE SAFETY TIPS AT HOME

As most of our residents largely remain at home in response to COVID-19 pandemic, the Village Administration is urging everyone to use **added caution** around home fire safety. Basic knowledge on fire prevention is very important. Here are **fire safety tips** that we can use in our homes:

Ensure emergency numbers are saved in your mobile phones.

ADMIN CONTACT NUMBERS

NHOA ADMIN OFFICE	(0917-853-7620)
SECURITY HOTLINE	(0917-503-5565)
PROPERTY MANAGER	(0917-851-6558)

DO NOT leave lighted candles and cigarettes unattended. Use flashlight instead of candles in case of power interruption.

Keep flammable materials such as lighters and matches out of children's reach.

Ensure that smoke detectors, fire alarms and sprinklers are working.

Regularly check electrical wires for damage. Replace faulty wiring immediately.

Practice your evacuation plan and procedures.

Learn how to use a fire extinguisher.

Turn off LPG Tanks when not in use.

Unplug appliances and gadgets after using or charging.

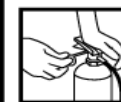

Stay in the kitchen while cooking. Turn off the stove and remove pans and pots from burner right after cooking.

Teach children on fire safety.

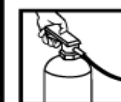

OPERATING YOUR FIRE EXTINGUISHER

PULL THE PIN

AIM AT THE BASE

SQUEEZE TRIGGER

SWEEP

Remember:

- Test extinguisher before approaching the fire
- Keep low & approach with the wind at your back
- Back away, watching for rekindle

Fire Safety is everyone's concern and by being prepared is the best way to protect ourselves and our property from any fire related incidents.
